MG TC
 The sports car that started it all, the MG TC! The devotion of TC owners may partially stem from the rarity of these cars. From 1945 to 1949, only 10,000 TCs were produced, with 6,593 actually exported from the U.K.

It is easier to color your TC before you cut it out. Felt tip markers or color pencils work great.

Carefully cut out the car with a X-Acto knife or scissors.
