

A BRITISH COMPANY SUPPORTING BRITISH CARS

April 16, 2024

Calling all car enthusiasts, classic & modern!

We're thrilled to announce the exciting news that Moss Motors, Moss Europe, and Rimmer Bros are joining forces, in partnership. This powerful alliance signifies our unwavering commitment to supporting your passion for keeping legendary vehicles on the road.

Seamless Service, Enhanced Experience

Rest assured, you'll continue to enjoy the exceptional service and expertise you've come to expect from each brand – Moss Motors, Moss Europe, and Rimmer Bros. We're dedicated to elevating your customer experience even further, regardless of your preferred brand.

Combined Strength, Unmatched Parts Availability

By merging our strengths, we'll ensure the long-term availability of existing parts, while also igniting the development of exciting NEW additions to our inventory including the resurrection of parts long since discontinued. This comprehensive one-stop shop solution will provide you with an unparalleled range of parts at exceptional value, all backed by the unwavering commitment to quality that defines our legacies.

A Legacy of Supporting Your Passion

Whether you're a longstanding customer or a new enthusiast joining the community, you're likely familiar with the rich family histories of Moss and Rimmer Bros. We've both spent decades empowering car owners to keep their cherished vehicles running smoothly. This commitment remains our sole mission: to provide the exceptional service and part availability you rely on to keep your automotive dreams alive.

Thank You, and Onward Together

We sincerely thank you for your unwavering support over the years. This exciting merger signifies our dedication to being your partner, not just today, but for years to come. Together, we'll ensure a thriving future for car enthusiasts everywhere.

About Moss Motors

Moss Motors and Moss Europe are providers of restoration and replacement parts for classic UK vehicles including MG, Mini, Austin Healey, Jaguar, and Triumph, and also provides a full product catalog for the Mazda MX-5 at MossMiata.com. Throughout its 75-year history, Moss has consistently grown its range of applications helping their enthusiast customers keep these marques on the road. The company has approximately 240 employees across its six operations in the U.S., UK and France. Moss serves more than 140,000 customers in over 100 countries globally. More information about Moss is available at www.mossmotors.com.

About Rimmer Bros

Rimmer Bros is a supplier of replacement and restoration parts for British marque vehicles. Originally focused on Triumph cars, Rimmer Bros has extended its range of vehicle applications to include MG, Land Rover, Range Rover, Jaguar and MG Rover cars over its 40-year history, backed up by an extensive range of detailed catalogues & website. The company has approximately 80 employees working out of its purpose-built distribution centre in Lincoln, UK. Rimmer Bros serves more than 100,000 customers in over 150 countries worldwide. More information about Rimmer Bros is available at <https://rimmerbros.com/>.

Please continue to follow all our brands for more information on how we are working to serve you better.
