

Supplemental Information & Instructions
for
164-640 or BHA4914 Wiper Arm, Adjustable
MGB RD, Late 69-72 (From (C)164064 to (C)294250)
7.2 MM, Bayonet Type

These arms has a bayonet type catch, which will not look like the original “notched” type arms used on some MGBs in this range. The factory superseded the notched arms to the bayonet type arms.

Length is adjustable of these wiper arms is adjustable. By moving the lever as shown, the arm can be extended about 2 inches, which translates into an overall length of 10.5 to 12.5 inches.

Although every effort has been made to ensure the accuracy and clarity of this information, any suggestions that you may have that will improve the information (especially detailed installation notes) are welcome.

*Please use the simple email form on the “**Contact Us**” page on the Moss website:*
