49 This polished ring is made to fit both Moto-Lita and Tourist Trophy
50 steering wheels. The 9-hole pattern is the same as any Moto-Lita or
51 Tourist Trophy adapter hub. This ring sits on top of the mounting
52 flange of the steering wheel. When the screws are tightened, the
53 wheel is sandwiched between the ring and the hub. The polished
54 ring has been made available this way so that older scratched and
55 nicked rings can be replaced.
